**The Professional Membership Association
for Self Publishing Authors**

AllianceIndependentAuthors.org

Associate Member: You are preparing your first book for self-publication. You could also be a student of creative writing, multimedia, or publishing.

Author Member: If you've published one book or more, this is the membership for you. This could be a full-length book (50,000+ words) for adults, a number of shorter books, or a children's book.

Authorpreneur Member: Authorpreneurs earn their living from self-publishing and associated business. This membership is assessed.

Partner Membership: Partner membership is for self-publishing services willing to adhere to ALLI's code of standards and partnership approval process. This membership is assessed and members have sold 50,000+ books or equivalent in the past two years.

Organization Member: This is a partner membership for local, national and genre author organizations. Partner organizations benefit from ALLI's self-publishing resources for authors and join our forums.

**We are a global organization
with members
all over the world.**
