advocacy

Promote yourself

We promote your author
profile, books and
publishing milestones

Associate Member: If you're not yet published, join ALLi to have all your self-publishing questions answered and find vetted publishing services to work with, from editors to cover designers and beyond.

Author Member: If you're already published, ALLi supports you to develop a profitable writing and publishing business. Valuable discounts, a supportive community, and industry experts to offer advice across the seven processes of publishing.

Authorpreneur Member: For authors selling 50,000+ books or equivalent in the past two years, ALLi offers experienced community, expert industry insights, trend analysis and a private business and legal forum.

Partner Member: High-quality publishing services approved by ALLi are showcased to thousands of authors through our directory and member database. Our authors trust our recommendations and we love to collaborate with our partners.

Organization Member: Non-profit national, international, and genre writing associations can join ALLi to avail of our self-publishing expertise. With our year-round program of high quality information, your members can be kept up to date with the latest self-publishing tools and trends.

We are a global organization with members all over the world
